Commercial Disposers

These disposers are known for having the **FINEST** grind and the **FASTEST** throughput of waste!

Small 1/4, 1 HP

Medium 1 1/2, 2, 3, 5 HP

Large 5, 7 1/2, 10, 15 HP

FabWright disposers, with only one moving part, are engineered to efficiently process difficult food waste such as corn cobs, bones, clam shells, artichoke stems, coconuts, produce, fish, etc. These disposers are recommended for processing difficult food waste in operations experiencing light to moderate to heavy volume depending on horse power & application.
